CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

To the Shareholders

Dear Sir or Madam,

PROPOSED REFRESHMENT OF GENERAL MANDATE TO ISSUE AND ALLOT SHARES

INTRODUCTION

The purpose of this circular is to provide you with, among other things, the details of (i) the refreshment of the Existing General Mandate; (ii) a letter of recommendation from the Independent Board Committee to the Independent Shareholders in respect of the refreshment of the Existing General Mandate; (iii) a letter of recommendation from Vinco Capital to the Independent Board Committee and the Independent Shareholders in respect of the refreshment of the Existing General Mandate; and (iv) the notice of EGM at which resolution will be proposed to be considered and if thought fit, approve the refreshment of the Existing General Mandate.

LETTER FROM THE BOARD

REFRESHMENT OF GENERAL MANDATE

The Existing General Mandate

At the AGM, the Shareholders approved, among others, the grant of the Existing General Mandate to the Directors. Pursuant to the Existing General Mandate, the Directors were granted an unconditional general mandate to issue, allot and deal with a maximum of 240,757,227 new Shares, representing 20% of the issued share capital of the Company at the date of AGM.

Reasons for the Refreshment of the Existing General Mandate

As set out in the announcement of the Company dated 4 December 2009, the Company has entered into a placing agreement whereby the Company has agreed to place a maximum of 240,000,000 new Shares to not fewer than six independent placees (the “**Placing**”). Since the date of AGM to the Latest Practicable Date, the Existing General Mandate has been utilized as to 240,000,000 Shares, representing approximately 99.69% of the aggregate number of Shares which may be allotted and issued under the Existing General Mandate, as a result of the Placing. Since the date of AGM to the Latest Practicable Date, the Existing General Mandate has not been refreshed. As at the Latest Practicable Date, the Company has an issued share capital of 1,443,786,138 Shares. Upon the issue and allotment of new Shares as a result of Placing, only 757,227 new Shares might be further issued and allotted under the Existing General Mandate, which represents only approximately 0.05% of the issued share capital of the Company.

The net proceeds of approximately HK\$43.2 million raised from the Placing have not been utilized as at the Latest Practicable Date. The net proceeds were intended to be used for the general working capital of the Group. The Company is exploring new investment opportunities in order to maximize Shareholders’ returns. Although there is no certainty that the investment opportunities will be identified in the near future, the Directors propose to seek the Independent Shareholders’ approval to grant the Refreshed General Mandate which will provide them with the flexibility necessary to raise capital by issue of new Shares in a timely manner to capture fund raising opportunities when the equity market is active. In addition, there is no certainty that existing cash and facility resources will be adequate for any appropriate investment that may be identified by the Company in the future, additional funding may still be needed in a timely manner when necessary for financing future investments should suitable investment opportunities arise.

The Directors believe that the Refreshed General Mandate will provide a flexible mean for the Company to raise further funds through the issue of new Shares for its future business development if and when opportunities arise. Accordingly, the Directors consider that the approval of the Refreshed General Mandate is in the best interests of the Company and the Shareholders as a whole. In this regard, the Board proposes to refresh the Existing General Mandate to allow the Directors to issue and allot Shares not exceeding 20% of the issued share capital of the Company as at the date of the EGM.

LETTER FROM THE BOARD

The Refreshed General Mandate

As at the Latest Practicable Date, the Company has 1,443,786,138 Shares in issue. Subject to the passing of the proposed ordinary resolution for the refreshment of the Existing General Mandate and on the basis that no Share will be issued or repurchased by the Company prior to the date of EGM, the Refreshed General Mandate will allow the Directors to be given unconditional general mandate to allot and issue a maximum of 288,757,227 new Shares, representing 20% of the issued share capital of the Company at the EGM.

The Refreshed General Mandate will, if granted at the EGM, remain effective until the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held in accordance with the articles of association of the Company, or any other applicable laws of the Cayman Islands; and (iii) its revocation or variation by ordinary resolution(s) of the Shareholders in general meeting.

EGM

The EGM will be held at Plaza 4, Lower Lobby, Novotel Century Hong Kong, 238 Jaffe Road, Wanchai, Hong Kong on Wednesday, 3 March 2010 at 11:00 a.m. to consider and, if though fit, approve the refreshment of the Existing General Mandate.

Pursuant to Rule 17.42A of the GEM Listing Rules, the grant of the Refreshed General Mandate for the Directors to issue and allot new Shares of the Company not exceeding 20% of the issue share capital of the Company as at the date of the EGM is subject to the approval of the Independent Shareholders at the EGM by way of poll. The controlling Shareholders (as defined in the GEM Listing Rules) and their associates or, where there are no controlling Shareholders, Directors (excluding the independent non-executive Directors) and the chief executive and their respective associates shall abstain from voting in favour of the relevant resolution at the EGM. As at the Latest Practicable Date, the Company has no controlling Shareholders. Mr. Chu Hon Pong, being the chairman and executive Director, together with his associates are in aggregate interested in 155,150,967 Shares, representing approximately 10.75% of the issued share capital of the Company. Accordingly, Mr. Chu Hon Pong and his associates will abstain from voting in favour of the relevant resolution to approve the refreshment of the Existing General Mandate at the EGM.

The notice of EGM is set out on pages 15 to 17 of this circular. Whether or not you are able to attend the EGM in person, you are requested to complete and return the accompanying form of proxy in accordance with the instructions printed thereon and return the same to the Company's branch share registrar and transfer office in Hong Kong, Tricor Standard Limited at 26th Floor, Tesbury Centre, 28 Queen's Road East, Wanchai, Hong Kong as soon as practicable but in any event not less than 48 hours before the time appointed for the holding of the EGM. Completion and return of the form of proxy will not preclude you from attending and voting at the extraordinary general meeting should you so wish.

12 February 2010

*To the Independent Board Committee and the Independent Shareholders of
ZMAY Holdings Limited*

Dear Sir or Madam,

PROPOSED REFRESHMENT OF GENERAL MANDATE

INTRODUCTION

We refer to our engagement as the independent financial adviser to advise the Independent Board Committee and the Independent Shareholders in connection with the proposed refreshment of the Existing General Mandate, details of which are set out in the section headed "Letter from the Board" in the circular ("Circular") issued by the Company to the Shareholders dated 12 February 2010 of which this letter forms part. Capitalised terms used in this letter shall have the same meanings ascribed to them in the Circular unless the context otherwise requires.

On 4 December 2009, the Company and the placing agent entered into a placing agreement pursuant to which 240,000,000 new Shares were issued under the Existing General Mandate. Upon completion of the Placing on 6 January 2010, the Existing General Mandate has almost been fully utilized, only 757,227 new Shares might be further issued and allotted under the Existing General Mandate, which represents only approximately 0.05% of the existing issued share capital of the Company. In order to allow the flexibility to raise further capital through the issue of new Shares to finance its future investments and/or for future business development, the Board proposes to refresh the Existing General Mandate to allow the Directors to issue and allot new Shares not exceeding 20% of the issued share capital of the Company at the date of EGM.

In accordance with Rule 17.42A of the GEM Listing Rules, the proposed refreshment of the Existing General Mandate requires the approval of the Independent Shareholders by way of poll at the EGM. Since the Company had no controlling Shareholder as at the Latest Practicable Date, the Directors (excluding independent non-executive Directors) and the chief executive of the Company and their respective associates shall abstain from voting in favour of the resolution to approve the grant of the Refreshed General Mandate. As at the Latest Practicable Date, Mr. Chu Hon Pong, being the chairman and an executive Director, together with his associates are in aggregate interested in 155,150,967 Shares, representing approximately 10.75% of the issued share capital of the Company. Save as disclosed above,

LETTER FROM VINCO CAPITAL

no other Director or chief executive of the Company was interested in any issued Shares. Accordingly, Mr. Chu Hon Pong and his associates are required to, and will, abstain from voting in favour of the relevant resolution approving the grant of the Refreshed General Mandate at the EGM.

The Refreshed General Mandate will, if granted at the EGM, remain effective until the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held in accordance with the articles of association of the Company, or any other applicable laws of the Cayman Islands; and (iii) its revocation or variation by ordinary resolution(s) of the Shareholders in general meeting.

The Independent Board Committee comprising Dr. Wong Yun Kuen, Mr. Man Kwok Leung and Mr. Chi Chi Hung, Kenneth, all being independent non-executive Directors has been established to advise the Independent Shareholders as to whether the proposed refreshment of the Existing General Mandate is fair and reasonable so far as the Independent Shareholders are concerned and whether the proposed refreshment of the Existing General Mandate is in the interests of the Company and the Independent Shareholders as a whole.

Based on the foregoing, we confirm that we have taken all reasonable steps, which are applicable to the proposed refreshment of the Existing General Mandate, as referred to in Rule 17.92 of the GEM Listing Rules (including the notes thereto).

LETTER FROM VINCO CAPITAL

This letter is issued for the information for the Independent Board Committee and the Independent Shareholders solely in connection with their consideration of the proposed refreshment of Existing General Mandate and, except for its inclusion in the Circular, is not to be quoted or referred to, in whole or in part, nor shall this letter be used for any other purposes, without prior written consent.

PRINCIPAL FACTORS AND REASONS CONSIDERED

In arriving at our opinion and recommendation to the Independent Board Committee and the Independent Shareholders in respect of the proposed refreshment of the Existing General Mandate, we have taken into consideration the following principal factors and reasons:

Background of and reasons for the proposed refreshment of General Mandate

The Company is an investment holding company and its subsidiaries are principally engaged in the trading and sales of healthcare products in Hong Kong and funeral and related business in the PRC.

The Company obtained approval from its shareholders for the grant of the Existing General Mandate at the AGM, whereby the Directors were authorized to issue and allot additional shares not exceeding 20% of the issued share capital of the Company as at the date of passing the resolution at the AGM, which is equivalent to 240,757,227 Shares.

According to the announcement of the Company dated 4 December 2009, the Company and the placing agent entered into a placing agreement pursuant to which 240,000,000 new Shares were issued under the Existing General Mandate. Accordingly, the Existing General Mandate has almost been fully utilized, only 757,227 new Shares might be further issued and allotted under the Existing General Mandate, which represents only approximately 0.05% of the existing issued share capital of the Company.

As at the Latest Practicable Date, the Company has 1,443,786,138 Shares in issue. Subject to the passing of the proposed ordinary resolution for the refreshment of the Existing General Mandate and on the basis that no Share will be issued or repurchased by the Company prior to the date of EGM, the Refreshed General Mandate will allow the Directors to be given unconditional general mandate to allot and issue a maximum of 288,757,227 new Shares, representing 20% of the issued share capital of the Company at the EGM.

We noted from the 3rd quarterly results announcement of the Company for the nine months ended 31 December 2009, the Group still recorded unaudited net loss of approximately HK\$4,946,000, representing an improvement of approximately HK\$3,209,000 from unaudited net loss of approximately HK\$8,155,000 for the nine months ended 31 December 2008. We also noted from the interim report of the Company for the six months ended 30 September 2009, the cash and bank balances of the Group was approximately HK\$21.04 million whereas total liabilities of the Group amounted to approximately HK\$92.24 million.

As stated in the Letter from the Board, the Directors believe that the Refreshed General Mandate will provide the Company with necessary financing flexibility to raise further capital to finance future investments and/or for future business development.

LETTER FROM VINCO CAPITAL

The Board proposed to pass an ordinary resolution at the EGM to approve the proposed refreshment of the Existing General Mandate in accordance with Rule 17.42A of the GEM Listing Rules to allow flexibility to issue any additional new Shares so that the Directors would be granted to allot and issue not exceeding 20% of the issued share capital of the Company as at the date of the EGM. The proposed refreshment of the Existing General Mandate will be in force when it is approved by the Independent Shareholders at the EGM.

Fund raising activities of the Company in the past twelve months

Set out below is the fund raising activity of the Company during the past 12 months immediately prior to the Latest Practicable Date:

| Date of announcement | Event | Net proceeds raised (approximately) | Intended use of proceeds | Actual use of proceeds as at the Latest Practicable Date |
|-----------------------------|---|--|--------------------------------------|--|
| 4 December 2009 | Placing of 240,000,000 new Shares at the placing price of HK\$0.185 per share | Approximately HK\$43.2 million | General working capital of the Group | The net proceeds have not been utilized but will be used as intended |

Save as disclosed above, the Directors confirmed that the Company has not conducted any other fund raising activities during the past 12 months immediately prior to the Latest Practicable Date. We were advised by the Directors that the placing activity dated 4 December 2009 was recently completed on 6 January 2010 and thus such net proceeds are yet to be utilised for general working capital of the Group.

The Directors confirmed that the existing cash resources of the Company are sufficient for it to conduct its daily operations and the Company has sufficient working capital to meet its present requirements. However, there is no certainty that the cash resources available to the Company will be adequate for its general working capital, future possible acquisition or potential investments that are in the interests of the Company and the Independent Shareholders. In the event that the Company identifies a suitable investment opportunity but does not have sufficient cash resources on hand, or it fails to obtain loans on terms which the Directors consider acceptable to the Company, or it fails to raise funds from the equity capital market, or it cannot find other alternatives to finance the acquisition of such investment opportunity in a timely manner, the Company may lose its bid in an otherwise favourable investment.

In view of the foregoing and the next annual general meeting will not be convened until around July 2010 (which is about five months away from the Latest Practicable Date), we consider that it is reasonable for the Company to propose the refreshment of the Existing General Mandate in order to provide the Company with necessary financing flexibility to raise further capital to finance future investments and/or for future business development as and when opportunity arises.

LETTER FROM VINCO CAPITAL

Financial flexibility

As confirmed by the Directors, the Company is exploring new investment opportunities in order to maximize Shareholders' returns however there is no concrete proposal for any investment or any immediate fund needs for the business development of the Group as at the Latest Practicable Date. The Directors believe that the proposed refreshment of the Existing General Mandate will provide the Company with necessary financial flexibility to raise further capital to finance future investments and/or for future business development.

Given that equity financing is interest free and security free by nature, we consider that the proposed refreshment of the Existing General Mandate could enhance the financing flexibility of the Company to raise capital, to strengthen the capital base of the Company and serves as a cost effective means of raising additional capital for the Company. Furthermore, the proposed refreshment of the Existing General Mandate would provide the Company with the maximum flexibility as allowed under the GEM Listing Rules to allot and issue new Shares to raise further capital for its future investments as and when an opportunity arises. The increased amount of capital which may be raised under the proposed refreshment of the Existing General Mandate provides more options of financing to the Company when assessing and negotiating potential investment in a timely manner.

Other financing alternatives

Other than raising fund by way of issuing equity capital, the Directors will consider other financing methods such as bank financing, debt financing and funding through internal resources in order to meet its financing requirements arising from future development of the Company, depending on the then financial position, capital structure and cost of funding of the Company and the then market condition. As confirmed by the Directors, the proposed refreshment of the Existing General Mandate provides another alternative for the Directors to finance the Company's businesses and the Directors will use the method which serves the best interest of the Company. We consider that it is a sensible consideration to make reference to the then financial position of the Company in order to decide on a financing method for the future development of the Company.

LETTER FROM VINCO CAPITAL

Potential dilution to shareholdings of the Shareholders

| Total | <u>1,443,786,138</u> | <u>100.00</u> | <u>1,732,543,365</u> | <u>100.00</u> |

Notes:

- (1) Mr. Chu Hon Pong is the chairman and an executive Director, these Shares are pledged to Premier Rise Investments Limited ("Premier Rise"). The beneficiary owner of Premier Rise is Mr. Hui Ho Luek, Vico.
- (2) Super Win Development Limited holds 24.52% of shares in Chinese People and is a wholly owned subsidiary of Asian Allied Limited ("Asian Allied"). Mr. Mo Shikang is the beneficiary owner of Asian Allied.

The above table demonstrated the shareholdings of the Company as at the Latest Practicable Date, and for illustrative purpose, the potential dilution effect on the shareholdings of the Company immediately after full utilisation of the Refreshed General Mandate (assuming no further Shares will be issued or repurchased by the Company after the Latest Practicable Date and up to the date of the EGM).

The aggregate shareholding of the other public Shareholders will decrease from approximately 78.86% immediately after full utilisation of the Refreshed General Mandate to approximately 65.72% upon full utilisation of the Refreshed General Mandate, indicating a potential maximum dilution of approximately 13.14%. Taking into account the potential benefits of the proposed refreshment of Existing General Mandate as discussed above and the fact that the shareholdings of all Shareholders will be diluted proportionally to their respective shareholdings upon full utilisation of the Refreshed General Mandate, we consider such maximum potential dilution to the shareholdings of the Shareholders to be acceptable.

LETTER FROM VINCO CAPITAL

CONCLUSION

Having taken into consideration of the above principal factors and reasons, we are of the view that the proposed refreshment of the Existing General Mandate is fair and reasonable, so far as the Independent Shareholders are concerned and that the proposed refreshment of the Existing General Mandate is in the interests of the Company and the Independent Shareholders as a whole. Accordingly, we advise the Independent Board Committee to recommend the Independent Shareholders to vote in favour of the ordinary resolution to be proposed at the EGM to approve the proposed refreshment of the Existing General Mandate

Yours faithfully,
